## The 1965 Annual Meeting

The 18th Annual Meeting of QCWA was held on October 29, 1965 at the Shelbourne Hotel in New York City. President Earl R. Thomas, W2MM, conducted this annual affair which was attended by 140 members. The following is a summary of the reports presented and actions taken:

### President's Report

1. Chapter certificates were printed and issued to all existing 24 QCWA Chapters.
2. The 1966 QCWA QSO Party will be sponsored by the Oklahoma Chapter [see other page].
3. The list of 40 members who had joined "Silent Keys" since the 1964 Annual Meeting was read. Everyone stood in silence for one minute in commemoration.
4. Comments are received from time to time why directors and officers should not be chosen from members living in other than the 2nd call area. The only basic reason has been the item of financing traveling expenses to meetings. Some chapters have indicated that they have members who would be willing to pay their own expenses to serve on the board. While this might be done in some cases, it is not very equitable overall. The board will restudy the matter of overall representation and as in the past will request comments from the chapters, but it would seem that if board representation is proportionally distributed by membership in the call areas and these representatives are furnished traveling expenses to meetings, it will probably be necessary to increase dues to about 5 dollars per year.
5. Our financial position is in good shape so far this year, but we will be faced with an outlay of about \$3000 to get out the new membership roster to each member.

### Treasurer's Report

Fred W. Huff, W2AMB made the following report for the period January 1-September 30, 1965:

1. Receipts including dues from 273 new members and 1,192 regular members; sale of 317 lapel pins, and miscellaneous QCWA stamps and cuts \$10,615.55

2. Expenditures including printing, postage, stock of lapel pins; expenses of Executive Secretary and the Treasurer; publicity costs, fees and News Letter	\$ 5,498.93
3. Balance	\$ 5,116.62
4. Bank balance as of January 1, 1965	1,973.69
5. Balance as of September 30, 1965	\$ 7,090.31

### Executive Secretary's Report

The following details as of October 1, 1965 were submitted by A.J. Gironda, W2JE:

1. Last assigned membership number as of September 30, 1965	4,690
2. Dropped or resigned since 1947	352
3. "Silent Keys" [including 4 Life Members]	273
4. Membership as of Oct. 1, 1965 including 313 Life Members	3,565

### Recording Secretary's Report

David Talley, W2PF, stated that the Board of Directors had held two meetings during 1965. Three QCWA News Letters have been issued in 1965, and the next issue is planned for mailing in January, 1966. It is anticipated that these News Letters will be kept within the budgetary objective of \$1,200.

### Fifty-Year Awards

During 1965, 43 additional QCWA members received their Award certificates for 50 years of licensed Amateur Radio Service. A total of 125 Fifty-Year Awards have been presented to date. The following 17 members were presented by W2MM with their Award certificates at this Annual Meeting: W1VP, W2AEC, W2AMB, K2ET, W2FWZ, W2FX, K2HW, W2MM, W2RWQ, W2SVR, W2WI, W2ZI, W3AI, W3OR, W3SQ, W4VG, and W6FI.

Executive Secretary Notes

Gold QCWA stamps for use only by Life Members are now available from W2JE. The cost is \$1.50 for 500 or \$3.00 for 1,000. All Chapter Chairmen should have received the Charter Certificate for their respective Chapters. Please acknowledge its receipt to W2JE. Incidentally, the Charter Certificate should be transferred to the new Chairman at each installation of Chapter officers. Old QCWA application blanks on hand [those not listing \$5 for 3 years' dues in advance] should be destroyed. Gus will send you a supply of new ones upon request. If you will become eligible for the Fifty

Years in Amateur Radio Award in 1966 [that is, you originally were issued an Amateur Radio Station license in 1916 or before], send your request together with all supporting documents to W2JE before September 1, 1966 for necessary processing. W2JE will be visiting his family in Los Alamitos, California around December 15, 1965 and stopping off in Phoenix on his return to visit the Arizona Chapter. Gus plans to visit the QCWA Chapters in California during his stay on the west coast. If you have not done so previously, please advise Gus of your zip code number or your new address at once because work soon will start on the 1966-1967 QCWA Year Book.

#### New Chapters

Two new Chapters recently were organized and one is in the process. The Indiana Chapter was formed in Fort Wayne, Indiana with Arthur L. Braun, W9TE, as Chairman and C.W. Kronmiller, W9UC, as Secretary-Treasurer. The Houston, Texas Chapter, Likewise, was organized last month. Harold A. Sears, K5JLQ is the Chairman and Ted R. Heyck, W5HZ, is the Secretary. This Chapter has 18 members at present. We hope that they soon will attain 50 or more members so that they may receive their QCWA banner. A new West Coast Florida Chapter is in the formation stage due to the untiring efforts of Bob David, W4YK. He initiated an "over-the-air" meeting on 3990 kc on October 31, and over 20 QCWA members responded including W4BHX, W4BIN, WA4FIU, WA4SMJ, K4KDN, K4UF, K4EK, W4FP, W4NIR, and K4AJ, who are serving on the Membership Committee. The proposed boundaries of this Chapter are Tarpon Springs on the north, Lakeland on the east, and Sarasota on the south. Likewise, Curly, W5NZ, and Roy, W5RU, are actively engaged in the organization work for a New Orleans, Louisiana Chapter.
